Dear Sir/Madam,

Sewang One World/ Parkcrest Ltd. Has negotiated a multi-billion dollar investment program to benefit Grenada. The Caribbean Region and South America. With the assistance of Mr. Antonio Bailey and Mr. Junior Francis and the rest of the local entity M.T.N Energy Ltd, we are in the final stages of negotiations with the various Governments.

The investors would like to transfer the afore mentioned funds into a local bank/s for the purpose of proof of funds. This allows the investors to demonstrate to the government/s that the funds are in place to finance the agreed to projects. The swift code is to be accessed by the investors only and can be repatriated to the Korean bank if necessary.

In order to accomplish the transfer, the local bank must agree to undertake the transfer so that the U.S Federal agencies can be notified and funds cleared for transfer. Although these accounts are established routinely in the U.S and Asia, we hope that this service can also be provided in Grenada. The document should represent the following.

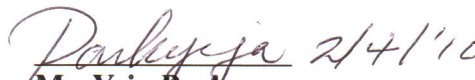

Letter head of the bank
